The screenshot shows the library's homepage with a dark brown header. The header includes the library logo and name, a language selector for '简体中文', and a 'Leave Message' button. A navigation bar below the header contains links: 'About Us', 'Using the Library', 'Finding Resources', 'News and Events', 'Related Links', and 'Help & Support'. The 'Finding Resources' dropdown menu is open, showing options: 'Books', 'Academic', 'Databases' (highlighted with an orange box and an orange arrow), and 'Journals'. On the left, there is a 'Search' section with a search bar and a 'Submit' button. On the right, there are sections for 'VS' (with a 'More >' link) and 'NOTICES' (with a 'More >' link). A large orange box at the bottom of the screenshot contains the URL: <http://lib.intl.zju.edu.cn/>. The background of the website features a large image of a modern library interior with a curved staircase and a skylight. At the bottom of the screenshot, there are three smaller images: a library interior, hands typing on a laptop, and hands writing on a document.

- DO NOT be obsessed with the so-called 'professional terms'
- Avoid using large concept words: such as project, compare, test...
- Use Keyword Index in SCOPUS, EBSCO...
